## Invitation for Tender

1.	Background	Bangladesh-China Power Company Ltd. is a joint venture of North-West Power Generation Company Limited (NWPGL) and China National Machinery Import & Export Corporation (CMC). BCPCL has implemented the country's first ultra-supercritical power plant. The plant has been put into commercial operation in 2020. BCPCL requires a reliable supply of coal in sufficient quantities to meet its energy supply and coal availability obligations and thus is importing coal for the company. Now BCPCL intends to engage lightering service provider for its coal lightering operation to enable mother vessels to reach permissible draft levels for the channel, turning basin, and jetty.
