REQUEST FOR QUOTATION

for

Engagement of Third-Party Inspection Firm to conduct a yearly measurement of coal & limestone stockpile at Payra 1320MW TPPP site

Issued Ref.: BCPCL/Proc/RFQ/2026-27/1026.02

Issued On: October 26, 2026

To

1. Bangladesh-China Power Company Limited has been allocated funds and intends to apply a portion of the funds to eligible payments under the Contract for which this Quotation Document is issued.
2. Detailed Scope of Service are attached in the Terms of Reference (annexure-01) and the potential Quotationers may perform field inspection during office hours on all working days at BCPCL site.
3. Quotation is being requested on Unit-Rate/Lump-sum basis.
4. Quotation shall be completed properly, duly signed-dated each page by the authorized signatory and submitted by the date to the office as specified in Para 6 below.
5. No Securities such as Quotation Security (i.e. the traditionally termed Earnest Money, Tender Security) and Performance Security shall be required for submission of the Quotation and execution of the Works (if awarded) respectively.
6. Quotation in a sealed envelope or by fax or through electronic mail on or before 03:00 PM on November 04, 2026. The envelope containing the Quotation must be clearly marked "**Engagement of Third-Party Inspection Firm to conduct a yearly measurement of coal & limestone stockpile at Payra 1320MW TPPP site**" and "DO NOT OPEN before 03:30 P.M. on November 04, 2026". Quotations received later than the time specified herein shall not be accepted.
7. Quotations received by fax or through electronic mail shall be sealed-enveloped by the Procuring Entity duly marked as stated in Para 6 above and, all Quotations thus received shall be sent to the Evaluation Committee for evaluation, without opening, by the same date of closing the Quotation.
8. The Procuring Entity may extend the deadline for submission of Quotations on justifiably acceptable grounds duly recorded subject to threshold of ten (10) days.
9. Quotation shall be submitted as per Bill of Quantities of Works and physical services.
10. All Quotations must be valid for a period of at least 60 (Sixty) days from the closing date of the Quotation.

11. No public opening of Quotations received by the closing date shall be held.
12. Quotationer's rates or prices shall be inclusive of profit and overhead and all kinds of taxes, duties, fees, levies, and other charges to be paid under the Applicable Law, if the Contract is awarded.
13. Rates shall be quoted and, subsequent payments under this Contract shall be made in BDT. The price offered by the Quotationer, if accepted shall remain fixed for the duration of the Contract.
14. **Qualification Criteria:**
 - i) *Quotationer shall have legal capacity to enter into Contract.*
 - ii) *Quotationer, in support of its qualification shall be required to submit certified photocopies of latest documents related to valid Trade License, Tax Identification Number (TIN) and VAT Registration Number without which the Quotation may be considered non-responsive.*
 - iii) *Quotationer shall have at least 01 (one) Completed project experience in the relevant field in the last 05 years and shall be required to submit completion certificate of at least one completed project of similar nature.*
 - iv) *The Service Provider should have appropriate logistics and operational support team.*
15. Quotations shall be evaluated based on information and documents submitted with the Quotations, by the Evaluation Committee and, at least three (3) responsive Quotations will be required to determine the lowest evaluated responsive Quotations for award of the Contract.
16. In case of anomalies between unit rates or prices and the total amount quoted, the unit rates or prices shall prevail. In case of discrepancy between words and figures the former will govern. In case of quotation submitted on Lump-sum basis, if anomalies found between figures and words, the words will prevail. Quotationer shall remain bound to accept the arithmetic corrections made by the Evaluation Committee.
17. Letter inviting the successful Quotationer to sign the Contract shall be issued within 07 days of receipt of approval from the Approving Authority. The Contract shall have to be signed within 03 days of issuing such Letter of Invitation.
18. The Procuring Entity reserves the right to reject all the Quotations or annul the procurement proceedings.

Conditions of Contract
for
Engagement of Third-Party Inspection Firm to conduct a yearly
measurement of coal & limestone stockpile at Payra 1320MW TPPP site

1. Conditions of Contract contained herein shall be binding upon both the contracting parties for the purpose of administration and management of this Contract.
2. Implementation and interpretation of these Conditions of Contract shall, in general, be under the Rules & Regulations of BCPCL.
3. The service provider shall have to commence the Work within 7 (*seven*) days of issuance of notification from the procuring entity and complete in conformity in all respects with the provisions of the Contract in accordance to the timeframe mentioned in the Terms of Reference (ToR).
4. The time and date for the execution of the work will be determined by the procuring entity and the service provider shall comply with the timings as it is crucial to manage site availability.
5. The service provider shall comply with all the Terms of Reference for 'Procurement of Third-Party Inspection Service provider to conduct a yearly measurement of coal stockpile at Payra 1320MW TPPP site'. **Terms of Reference (ToR)** is attached herewith in **Annexure-01**.
6. The service provider shall be entitled to an extension of the work schedule if the Procuring Entity delays in receiving the services or if Force Majeure situation occurs or for any other reasons acceptable to the Procuring Entity on justifiable grounds duly recorded.
7. The Procuring Entity shall check and verify the study executed by the Service provider and notify the Service provider of any Defects found.
8. Notwithstanding any testing and examination, the Procuring Entity by visual inspection or field tests may instruct the Service provider to:
 - a. remove and replace any service or part thereof which is not in accordance with the Contract,
 - b. remove and re-execute any other service or part thereof which is not in accordance with the Contract, and
 - c. execute any service which is urgently required for the safety of the study.
9. The Service provider shall submit to the Procuring Entity the progressive invoices for estimated value of services executed less the cumulative amount certified previously.
10. The Service provider shall be entirely responsible for payment of all taxes, duties, fees, and such other levies under the Applicable Law.
11. Mode of payment shall be based on the type of the Contract corresponding to the Bill of Quantities:

Mode of Payment:

Payments shall be made only after successful completion of each service and submission of report to BCPCL and duly accepted by BCPCL (Referred in ToR).

12. The Service provider's rates or prices shall be inclusive of profit and overhead and, all kinds of taxes, duties, fees, levies, and other charges to be paid under the Applicable Law.
13. The total Contract Price is **BDT [] only including Tax & VAT**.
14. No works under Extra Work Orders shall be permissible and, works under Variation Orders (except in case of Lump-sum basis) shall under no circumstances exceed fifty (50) percent of the Contract Price subject to threshold specified in the Procurement Procedures and Delegation of Financial Power-2019 of Bangladesh China Power Company Limited.
15. The Procuring Entity contracting shall amend the Contract incorporating required approved changes subsequently introduced to the original Conditions of Contract in line with Rules, where necessary.

16. The Service provider shall apply by notice to the Procuring Entity for issuing a Completion Certificate of the Works, and the Procuring Entity shall do so upon deciding that the work is completed.
17. The Procuring Entity shall, within 07 (Seven) working days after receiving the Service provider's application:
 - a) issue the Completion Certificate to the Service provider stating that the Works were completed in accordance with the Contract, or
 - b) reject the application, giving reasons and specifying the works required to be done/redone by the Service provider to enable issuance of the Completion Certificate.
18. The Service provider shall keep the Procurement Entity harmless and indemnify from any claim, loss of property or life to himself/herself, his/her workmen or staff, any staff of the Procurement Entity or any third party while executing the work. Any claim arising out of execution of the works shall be settled by the Service provider at his/her own cost and responsibility.
19. The Service provider shall make reasonable provisions for the occupational safety and health of himself/herself, his/her workmen or staff, any staff of the Procurement Entity or any third party while delivering the physical services.
20. Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Liability Period shall be remedied by the Service provider at the Service provider's own cost, if the loss or damage arises from the Service provider's acts or omissions.
21. The Procuring Entity may, by written Notice sent to the Service provider, terminate the Contract in whole or in part at any time, if the Service provider:
 - a) fails to sign the Contract or commence the Work within the specified time.
 - b) fails to achieve satisfactory progress of Works in accordance with the Programme of Works.
 - c) fails to complete the services as per Terms of References.
 - d) after receipt of a written notice from the Procuring Entity does not remedy its failure within the time period specified therein.
 - e) in the judgement of the Procuring Entity, has engaged in any corrupt, fraudulent, collusive or coercive practices in competing for or in executing the Work.
 - f) fails to perform any other obligation(s) under the Contract.
22. The Procuring Entity and the Service provider shall use their best efforts to settle amicably all possible disputes arising out of or in connection with this Contract or its interpretation.

1.0 Background

Bangladesh-China Power Company Limited (BCPCL), a Joint Venture Company (JVC) of NWPGL of Bangladesh and CMC of China, is operating a coal-based 1320 MW Thermal Power Plant at Dhankhali, Patuakhali, Bangladesh. The plant consists of two (2) units of Ultra Super Critical Coal-Fired Power Plant each with a gross capacity of 660MW. The Company requires imported coal to operate the Plant and currently it is importing around 300,000.00 (three hundred thousand) tonnes of coal per month to operate both units with partial capacity.

BCPCL management intends to record the coal stockpile in the 04 (four) nos. covered coal domes each with a capacity of maximum 180,000.00 (one hundred eighty thousand) tonnes of coal. Apart from this BCPCL operates FGD plant which consumes limestone in the process. BCPCL intends to measure the stockpile of limestone too.

Furthermore, BCPCL aims to conduct such measurement of coal & limestone stockpile in its coal dome twice a year for a total period of two years and conduct baseline survey of empty coal domes 4 (four) times for total period of two years.

2.0 Objectives of the Services required

To record the coal stockpile in the 04 (four) nos. covered coal domes each with a capacity of maximum 180,000.00 (one hundred eighty thousand) tonnes of coal twice in a year and for a total period of two years. Measure limestone in the same process as per the instructions of employer. Conduct baseline survey of empty coal domes 4 (four) times for total period of two years.

3.0 Scope of Services:

The scope of service broadly includes the following-

- a. To measure & record the coal stockpile in the 04 (four) nos. covered coal domes each with a capacity of maximum 180,000.00 (one hundred eighty thousand) tonnes of coal with the following schedule:
 - i. 31st December 2026
 - ii. 30th June 2027
 - iii. 31st December 2027
 - iv. 30th June 2028
- b. Perform the same as for limestone as per the requirements of the employer.
- c. Baseline Survey of Empty Coal Domes (4 Times): Whenever a coal dome is officially declared empty by the CHP Department of BCPCL, the Service Provider shall conduct a detailed survey of said empty dome. The survey results shall be used as the baseline reference for all subsequent stockpile volume measurements in that dome. As the requirement for baseline surveys depends on the availability of empty coal domes, the CHP Department shall notify the Consultant at least 2 (two) weeks prior to the required survey date.

4.0 Location of the Services

No. of Sites	Sites Covered Under Certification:	Scope
1	Payra 1320 MW Thermal Power Plant Project -Dhankhali, Kalapara, Patuakhali, Bangladesh	4 nos. Covered Coal Domes, 12 Coal bunkers and relevant areas situated at site & Limestone shed.

5.0 Reporting Requirements & Deliverables

The following reports in connection with the assignment are required to be prepared by the service provider and to be submitted to the Plant Manager, Bangladesh-China Power Company Limited.

- a) **Prepare comprehensive report with 100% accuracy of the coal & limestone (if any) stockpile measurement within 10 (ten) days of the measurement.**
- b) **Prepare and submit loss calculations as per the measurement and data from BCPCL and incorporate them into the report.**
- c) **Prepare comprehensive report with 100% accuracy of Baseline Survey of Empty Coal Domes within 10 (ten) days of the measurement.**

6.0 Support to be provided by the Employer

Bangladesh-China Power Company Limited will provide access to all information and location to the service provider for all site activities. The corporate management representative of Bangladesh-China Power Company Limited to be the main focal point of the service provider for planning, communication and other issues in connection of execution of the assignment.

The service provider will work independently with his/her team in 1320 MW TPPP site and surroundings for the assignment, to finalize methodologies and approaches, and undertaking fieldwork and perform necessary training programs. BCPCL will facilitate transport, office space, accommodation and food for the service provider inside the power plant.

Please note that, BCPCL will not provide any support with regard to any transport, office space, accommodation and food for the service provider outside the areas of 1320 MW TPPP site or leading up to the site for that assignment. In this regard, any support service, logistics and miscellaneous expenses should be borne by the service providers for the said assignment.

7.0 Responsibilities of the Service Provider

The Service Provider shall carry out the audit as detailed in the "Scope of services" and "Responsibilities" in the best interest of the client for the successful realization of the project with all reasonable care, skill sound engineering, administrative and financial practices and shall be responsible to the Execution Agency (Bangladesh-China Power Company Limited) for discharge of responsibilities.

8.0 Qualification and Experience of Firm:

Qualifications and experiences for the service provider should be as follows (Evidence of the qualification to be provided):

- a) Must have at least 01 (one) experience with regard to perform similar assignment successfully within the period of last 05 (five) years.
- b) The Service Provider should have appropriate logistics and operational support team.

9.0 Mode of Payment:

Payments shall be made only after successful completion and submission of report after each service to BCPCL and duly accepted by BCPCL.

10.0 Duration of the Assignment

The total duration of the assignment will be 24 (twenty-four) months from the date of signing of the contract.

11.0 Methodology Approach

The service provider is allowed to undertake any methodology approaches with regard to the assignment like measuring (pv) with electronic total station machine or suitable laser technology. However, the outcome of any approach should not result in poor accuracy of the result. Moreover, the Service Provider shall clearly declare the measurement methodology and applicable standard (e.g., ASTM or any other internationally recognized standard) in its technical proposal. Any deviation from the declared methodology or standard during contract execution shall require prior written approval from the Competent Authority of BCPCL. Any data collected from the site by the Service Provider for stockpiles or limestone measurement shall be jointly verified and acknowledged by the authorized representatives of the CHP Department, BCPCL, before being used for measurement, calculation, or reporting purposes

12.0 Ownership of the Data, Documents, and Equipment

- BCPCL shall be the owner of all the data collected, data sets, reports, documents, etc. prepared by the service provider under the assignment.
- All documents, reports and information from this assignment will be regarded as BCPCL's property, so the mentioned outputs or part of it cannot be sold or used in any case without the prior permission of BCPCL.
- The firm shall maintain confidentiality strictly and shall not disclose any information to any other party unless advised by BCPCL.
